

The goal of our Pro Staff program is one of mutual support, and the sharing of knowledge and techniques with other anglers. RAVEN relies on pro staff expertise and feedback to develop the best float fishing gear possible. Our Pro-Staff program is limited to published outdoor writers and those heading up seminars at shops and trade shows.

Pro Staff Requirements:

Must use RAVEN products.

Must provide RAVEN with feedback on prototypes and gear.

Must support authorized RAVEN retailers by directing customers to their stores.

Must provide photos of fish caught using RAVEN gear to be used in Anglers International Inc. marketing and promotional materials ie. web sites, catalogues, POS displays.

Must promote RAVEN products on message boards, at club meetings, and tournaments.

Must be available to attend at least one trade show or in-store promotion per year.

Must not re-sell your RAVEN float rods or float reels for one year from date of purchase.

Must not re-sell your terminal tackle.

Must display a RAVEN decal on your vehicle.

Must have the RAVEN logo patch or embroidered on your fishing apparel.

Pro Staff Benefits:

RAVEN decals, patch and a hat (when available).

Free prototypes / sample products for field testing.

50% Discount (off suggested retail) on the purchase of a maximum of 2 RAVEN float rods and 2 RAVEN float reels per year (June 1 - May 31).

50% Discount (off suggested retail) on all RAVEN terminal tackle purchased in minimum of 1/2 tradeback quantities (generally 5 or 6 units) up to \$250/year.

Pro Staff profile on our web sites.

Please submit the completed form to Anglers International Inc. with your fishing related resume and photo (for your web profile) to: info@anglersinternational.com or by Fax: 800-982-7901. We will contact you when a Pro Staff position is available in your area.
